

# LAPUZ, JOSEPH MICHAEL B.

Architecture Student

## ABOUT ME

As an architecture student specializing in Project Construction Management, I am driven by my goal-oriented mindset to adapt to challenges in a collaborative environment. My experience in site visits, material estimation, and rendering tools has strengthened my ability to merge functionality with aesthetic design.

## PROFILE

Born on February 27, 2002  
Riyadh, Kingdom of Saudi  
Arabia.

Fluent in English.
