## ABOUT ME

Graduated BS in Architecture in Mapúa University specializing in Project Construction Management. Experienced in cost estimation, site coordination, and architectural visualizations. Skilled in the use of Sketchup, AutoCAD, and Lumion to translate designs. Eager to contribute to dynamic teams that value precision, collaboration, and translation of architectural ideas into real-world spaces.

## EDUCATION

### FUTURE GENERATION PHILIPPINE INTERNATIONAL SCHOOL - Riyadh, KSA

2008 - 2020

*High Honors*

### MAPUA UNIVERSITY

2020 - 2025

*BS in Architecture*

*Specialization: Project Construction Management*

## WORK EXPERIENCE

### PADAVELA BUSINESS DEVELOPMENT AND CONSULTANCY CORP.

#### Internship

August - October 2023 (9 weeks)

- Prepared BOQs and material estimates for residential projects using Excel
- Produced real-time rendering walkthroughs using Lumion, Enscape, and V-ray for client presentations
- Attended site visits and drafted revisions based on site observations and team coordination

## PORTFOLIO

Portfolio available at: [josephlapuz.com](http://josephlapuz.com)

- **LiteCasting Solutions** — Rendered 3D visuals and developed construction timeline using S-curve method (June, 2024)
- **Vizcarra Residence** — Internship rendering for 4-storey mixed-use proposal (October, 2023)
- **Bedroom Renovation** — Designed and visualized interior layout using SketchUp and Enscape (August, 2023)
